Situated on the Sea of Cortez, La Paz is the capital city of the Mexican state *Baja California Sur*. Jacques Cousteau called it the “World’s Aquarium” and the “Galapagos of North America”. Known for sea mount diving and schooling hammerheads, the area offers 80 degree water temps and 80-100 feet of viz.

Join us for a week of accommodations and diving at *Club Cantamar*. We will be diving sites such as “El Bajo” and “Los Islotes” and relaxing in the pool and on the beautiful white sand beaches.

\$1050 per diver
